Kialessa is different. She has horns. She has a tail. She doesn't burn. With all this difference how will she find a way to fit in a world that doesn't seem to want her? On the other hand, perhaps being different is just what the world desperately needs? Delightful high fantasy for the young reader Your book the Tae anaryn is very interesting and I hope you will continue writing more wonderful and captivating stories. Jen (Grade 6-7) I read the book and enjoyed it thoroughly and found it hard to put down. It was an exciting tale with great real person character development. Particularly suited for teenagers but anyone with a fantasy like will love this book. It also had the advantage that it is suitable for people concerned with bullying and how to deal with it. Primary school teacher, Amazon good reads, April 2013. I loved the book of the Tae Anaryn!! It's the best book I've read so far in my life!! Dr. Joe I think you should make a sequel!
