

College Prep 101

By Lance A. Millis

Paperback. Condition: New. 126 pages. College Prep 101 (2nd edition) is a self help book aimed at high school students, their parents, and those who work with them. It guides them throughout every step in the college preparation, application, selection and transition process. Originally published in 2007, this update is published in February of 2012. This second edition contains tons of updated and improved information throughout the book. Of particular note is the new test prep information for the ACT and SAT, updated admission and college selection information now including electronic applications and use of social media, and additional information for parents throughout. In addition, the chapter entitled College and Money has been updated and expanded to include money decision-making for college students. College planning checklists are included for each year of high school (as well as for parents), as is a list of items to pack and bring to college. Additional chapter titles include: Planning for College, The Application Process, Visiting College Campuses, Making the College Transition, Sharpening Your Study Skills, Time Management, and more. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Tomas Flatley**

This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50 % of your book. You wont sense monotony at any time of your own time (that's what catalogs are for relating to should you check with me).
