

The Bolt Action: A Design Analysis, Vol. 2

By Otteson, Stuart

Wolfe Pub Co, U.S.A., 1984. Hardcover. Condition: New. 1st Edition. Rare NEW vintage first edition cloth hardcover w/no dj, in perfect crisp tight untouched condition. I do not think this book could be in more pristine condition if it came fresh off the press today. The covers are so crisp and tight it feels as though no one has ever opened it to look inside. Looks and feels untouched by human hands and time with no visible aging or any indications it is more than a day old! SUPERB collector's GEM! I'll wrap it up so it stays this way for you.
