

Winter Sports at Huntington Lake Lodge (Classic Reprint) (Paperback)

Filesize: 9.75 MB

Reviews

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Winter Sports at Huntington Lake Lodge OR centuries snow and rain have fallen on the High Sierras of California making the rills, brooklets, streams and rivers that, through out the year, pour forth their vivifying waters into the heart of the thirsty valleys which lie toward the Western Sea. Indians have roamed over these High Sierras, have fished and bathed in these waters, and there their usefulness seems to have ended. But the resistless anglo-saxon invaded the scene, first as trapper, then as miner, cattle-man, lumberman, fisherman, lover of majestic scenery, and finally as conservator of the mountain s natural resources. Among other of these resources the greatest was found to be the potentialities of the waters for the development of electric energy. In the far-away cities of the valleys, and even of regions across other ranges of mountains were cities of rest less, energetic peoples demanding vast supplies of electricity for lighting and heating their homes, streets, stores, and markets, for driving their street cars, automobiles, machines and power plants. Modern Science saw in the Sierran streams the means of supplying these demands, hence it linked hands with Capital to wrest from these snow-born waters the electrical energy they contained. Roads were engineered and built into the mountains, sites for the erection of gigantic dams were chosen which would impound great masses of these hitherto vag rant waters and thus create beautiful lakes in the midst of scenic glories and wonders unsurpassed on the face of the earth. Busy men came and blasted great masses of granite from quarries created by the Eternal; then the roads were lined. With steel - man s track for the iron horse, - and soon...
