DK ADVENTURES: A TRIP THROUGH THE BODY

DK Publishing (Dorling Kindersley), United States, 2015. Paperback. Book Condition: New. 190 x 130 mm. Language: English . Brand New Book. Is your child fascinated with the way the human body works? Do you have a budding junior biologist or doctor who s eager to learn more? DK Adventures: A Trip through the Body is a wonderful way to teach children about the human body through pictures and story. Through a combination of interesting storytelling and pictures, DK Adventures: A Trip through the Body is a great way for both avid readers and visual learners to learn more about the human body. In this story, Dan and Mya win a science competition and are given the opportunity to experience a tour of the human body. Using exciting new technology that allows them to travel through the body as if they re shrunk, they explore the systems of the human body, get propelled around by the blood stream, and are hurtled through windpipes and through the digestive system. They must navigate around the liver and escape from white blood cells in the bone marrow and into muscles. They re even propelled up the spinal cord in this story that will captivate children while teaching them more about the human body. DK Adventures is a book series that reluctant readers can enjoy as much as bookworms do! This series combines captivating, fictional stories with nonfiction facts to encourage learning and engagement in your child. The stories keep children interested, and the facts teach critical skills and knowledge the fiction and nonfiction elements work together to keep each child s interest high, to build knowledge, and to enrich the narrative reading experience with fascinating background information. These books are filled with information, but the stories make them incredibly readable. DK Adventures are available...
