Imprints on My Soul: Poetry in Search of the Beloved (Paperback)

By Saira Sabzaali

Balboa Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is time to wake up. Your spirit has been stirring, and now you are on a journey. Perhaps you are starting a new relationship and feel that fire of falling in love. Or perhaps you are falling in love in a whole different way, with something that has no name. The journey to the Beloved is a passionate, fiery, beautiful path, and the words to describe it are hard to find. As you get deeper into the wordless, only poetry can describe the longing, the sweetness, the deep drink of God that you have been waiting for. If you have recognized the Beloved, it is time to take your quest to a deeper level, and you probably know it. Let the poetry wake up what has been sleeping, and recharge what has been fading. Let the poetry make that simple candle of longing into a raging fire. Take in the words, let them fan the fire inside, and grow your love beyond what you ever thought possible. It is time.
