Lean Business Drivers (Paperback)

By Ronald L Buckley

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Authors describe how to create a very efficient money-making organization to survive and thrive in today s tough business environment by becoming a World Class Organization. In today s fast-paced rapidly changing business environment your Company can no longer just count on the Business Leader or even the Leadership Team to manage the business. You must involve all your employees in the success of your Company. Your van driver is no longer just a driver. He or she must come to work every day seeking better ways to do his or her job. Every employee must be aware of the processes they use to execute their duties and continually be searching for ways to do their job better-error free. Continually improve or perish. You must create a very efficient money-making organization to survive. This means you must be able to compete with the best of companies. You do this by becoming a World Class Organization. By that I mean you must deliver the highest quality services and products at the lowest possible cost when your Customer wants them -...
