Pearson Education Limited, United Kingdom, 2015. Mixed media product. Condition: New. 7th edition. Language: N/A. Brand New Book. This package includes a physical copy of Financial and Management Accounting, 7th edition by Pauline Weetman as well as access to the eText and MyAccountingLab. To access the eText and MyAccountingLab you need a course ID from your instructor. If you are only looking for the book buy ISBN 9781292086590. The seventh edition of this well-respected and fully updated text retains all of the features that have contributed to the book's popularity: focus on the accounting equation, student activities and real-life commentaries throughout each chapter, a clear and accessible writing style, and inclusion of real-world case studies. With a strong emphasis on the Conceptual Framework of the International Accounting Standards Board, Financial Management Accounting: An Introduction guides students in understanding the why and not just the what of financial and management accounting. Financial Management Accounting: An Introduction is aimed at first-level undergraduates on business studies degrees taking introductory financial and management accounting classes; first-level specialist accounting undergraduate students; introductory core accounting for MBA and postgraduate specialist Masters students, focusing on analysis through the accounting equation and a questioning approach to problem solving; and professional courses where accounting is introduced for the first time.
