Cornerstone, United Kingdom, 1994. Paperback. Condition: New. Language: English . Brand New Book. The fourteenth book to feature the classic crime-solving detective, Chief Inspector Wexford. Concealed by a shroud of dirty brown velvet, looking like a heap of rags, the woman's dead body lay between a silver Escort and a dark-blue Lancia. In the desolate shopping centre car park, Wexford has been too preoccupied to notice anything out of the ordinary - only the teenage girl in the red car, driving past him rather too fast. It was Burden who called him at home with the grim news later that evening: the woman had been attacked from behind, perhaps with a thin length of wire. But before Wexford can delve any deeper into this curious murder, he, too, faces death. Can Burden solve this mysterious crime without the help of his worldly Chief Inspector?.
