Abigail St. Michael, a former cop, has joined the recently growing ranks of metaphysicals, individuals with abilities outside that of normal human nature. When a murderer stalks her town killing children, Abbey uses her ability of touch clairvoyance to hunt him down. Her only roadblock is that her murderer seems to have his own unique talent, the ability to wipe his victims and their surroundings of any metaphysical energy. With little physical evidence and no supernatural evidence, Abbey is forced to rely on instinct and luck to solve the case. However both seem to have taken a permanent vacation as the victims keep piling up with the killers escalating blood lust. . . . emotion-wrenching, gritty, eerie, sexy. . . Toni Sweeney, author of Love, Vampire Style WARNING: Contains strong language, violence, and adult situations. This item ships from La Vergne, TN. Paperback.
