America Star Books, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Emotion is the most basic and immensely complex features of not only human beings but also the animals and other organisms. Mojibur Rahman, through his divers and distinctly varied thoughts, feelings, sentiments, beliefs and point of views, has depicted our emotional elements at work in whatever stage and mode of life we are in. In Laws of Emotion, Mojibur Rahman highlights various facets of life through carefully chosen words and phrases to emulate emotions depicted in the poems about given situations and events. Again in this book, he paints the picture like his previous collection of poems by using simple words, phrases and imbeds metaphors, similes, conflicts and contrasts. Readers are carried along the path of redress and satisfaction through heightened emotions and curious thoughts.
