Everything You Need to Know about Buying Mountain Property: It Is One Thing Not to Know the Answers, Quite Another Not to Know the Questions. How to Go about Finding the Perfect Property

By Michael I Posey

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Southern Appalachian Mountain region - Western North Carolina, Northern Georgia, Eastern Tennessee, Northwestern South Carolina and Southwestern Virginia - has been attracting the attention of retiring Baby-boomers and entrepreneurial Gen-Xers in droves since the turn of the millennium. The vast majority of them hail from densely populated, metropolitan areas of essentially flat topography, which gives them little, if any experience to tackle the job of finding an appropriate home site on which to build their dream-home. Whether that home site is for use as a second-home, vacation-home or retirement-home, the pitfalls and obstacles to making that dream become a reality remain essentially the same. The stories of some of those dreams becoming nightmares are all too familiar. the roads were never completed to my lot., there s no power or phone to my lot., I drilled my well to 1,000 feet but there s no water., the septic/drain field system can only accommodate a one-bedroom house., the sub-grade is solid granite and the foundation will cost a fortune. Most of the wide-eyed transplants that purchase property here not only have no idea...
