Brand New Book ***** Print on Demand *****.Excerpt from Home Fruit Grower In writing this book my aim has been to enhance the home production of fine fruit and thereby foster better living. As the text clearly shows, I have herein consistently ruled against commercial standards and practices, whenever these fall below the high order of merit and quality set by the amateur. The commercial grower produces fruit for a livelihood, to supply the demands of people who do not grow it; the amateur grows it for the joy of achievement, for the realization of a high ideal.
