By Clayton Furman Brasington

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hotel and Restaurant Meat Purveyors Improved Methods and Facilities for Supplying Frozen Portion-Controlled Meat After analysis of costs per pounds of meat handled, the resulting data were applied to the operation of a house with an annual volume of million pounds. In this example, use of the recommended methods showed a savings of over 10 percent of the cost of using the next most economical method for each process. A layout for such a house was designed around the recommended methods, and suggestions were made for expanding this layout to handle an annual volume of 7 million pounds.
