

The Indigenous Peoples Message to the World

Filesize: 6.25 MB

Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The award-winning Indigenous Peoples Message To The World delivers a timeless and more relevant than ever message to us all, and represents a collaboration of numerous organizations, individuals, and indigenous peoples from around the globe. Recorded live in the Amazon Jungle in Brazil in 1992 at the First World Conference of Indigenous Peoples, the extraordinary partnership captured here was spearheaded by Marcos Terena, the founder of the United Indigenous Nations, and supported by the Tribal Link Foundation and Land is Life. Excerpt from recording: We the Indigenous Peoples walk to the future in the footprints of our ancestors, from the smallest to the largest living being, from the four directions, from the air, the land and the mountains. The Creator has placed us, the Indigenous Peoples, upon our Mother the Earth. The footprints of our ancestors are permanently etched upon the lands of our peoples. We the Indigenous peoples are connected by the circle of life to our lands and environment. We the Indigenous peoples walk to the future in the footprints of our ancestors.
