DELL ZERO

Carol L. Ervin. Paperback. Condition: New. 234 pages. Dimensions: 8.0in. x 5.2in. x 0.6in. For centuries, Vita-meds have kept the Chapters populace at peace and on task, constantly restored to youth and vigor. How wonderful it should be! But on meds, everyone forgets, and John doesn't feel wonderful. Now his colleague is missing, and though no one in the Chapter ever disappears, John fears he may be next. And what is he to make of his colleagues replacement, Dell? Is she an aberration, a worker who has survived for centuries without transformation, or an outlaw, one of the species who breed in the wild? Even Dell doesn't know where she came from. She's grown up in the system without being part of it. If she's not careful, she'll be branded an outlaw. She's desperate to belong somewhere, maybe to someone, but in the Chapter, no one loves, and no one breeds. The world of the immortals is crumbling, threatened by sloppy work, sabotage and power struggles. While the populace languishes, newborns like Dell—the ones who are not immortal—will save or destroy it. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
