Reviews

The ideal publication i ever read through. It is writter in simple words and never hard to understand. Your daily life span is going to be convert once you full looking over this ebook.

(Tanner Willms PhD)

HOW TO DRAW BALLET PICTURES (PAPERBACK)

Dover Publications Inc., United States, 2009. Paperback. Condition: New. Green ed.. Language: English . Brand New Book. Aspiring artists can capture the beauty of ballet as they use this beginner's drawing guide. Simplicity and practice are the keys. The step-by-step exercises are easy to follow -- making this an ideal book for children -- and each how-to page is followed by a blank page useful for sketches. With easy-to-follow techniques, this popular Dover author helps young hands create 30 different pictures: dancers lacing ballet shoes, working at the barre, warming up and stretching, and executing arabesques, pirouettes, grand plies, and other positions. There's an assortment of stage-worthy accessories to draw, too, including festive tutus, hair wreaths, and costumes from such favorite ballets as Swan Lake, Cinderella, and The Nutcracker.
