Reviews

It is one of my personal favorite pdf. Of course, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Extrait: .of censure for the simulation of flattery and suspect a bookseller s puff when an author is not broken on the wheel. Then, after admitting the insular bias of English literary judgments based on moral considerations, he points out that in the third chapter of her book Madame de Stael professes to treat of the principal epochs of German literature, but without displaying much historical or antiquarian research. Taylor, well fitted by his own studies to discuss the subject, gives a clear outline of Madame de StaeTs account of the history of German literature. He disagrees with Crabb Robinson as to the justness of her opinion of Goethe, for he says that Madame de de StaeTs seventh chapter, concerning Goethe sic is excellent; it displays the observation which knows how to paint and to judge; and it forms in our opinion the most consummate piece of portraiture that she has executed. The delineation of Schiller he finds more vague, more general, less precise, and less individual than that of Goethe. In this third section, too, as in the first of his review of the Germany, Taylor performed the important function of pointing out to English readers Madame de StaeTs distinction between Classicism and Romanticism. The eleventh (chapter) divides European poetry into two schools, the classical, and the romantic. The first originates in the imitation of the ancients, the second, in the progressive amelioration of our native efforts to celebrate our...
