This pdf is definitely worth getting. Better than ever, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Vision Publishers. Paperback. Book Condition: new. BRAND NEW, Price, Pablo Yoder, This is a sequel to "Angels Over Waslala" and "Angels in the Night". In Nicaragua, life is primitive. Drugs, alcohol, and thievery are a way of life. The Yoders experienced the dark side of life as they sought to share the Lord Jesus with these beautiful people trapped in the grip of vice and its consequences. They confronted this evil by demonstrating the love of Christ. Many times life after such experiences goes unrecorded. Not so with several of these thieves. In "The Price" Pablo graphically pictures the lives of some of the robbers. Some of them met very violent death, and others experienced transformation when they met Jesus.
