Sketchbook: Ha Bun Shu (Paperback)

By Creative Sketchbooks

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ha Bun Shu is a series of wave and ripple drawings produced by Japanese artist Mori Yuzan. We don't know a lot about Yuzan other than this: he was from Kyoto, he worked in the Nihonga style, and he died in 1917. Ha Bun Shu is interesting because it has become the guide for craftsmen in Japan who are looking to decorate their objects with wave and ripple patterns. You can see this style on everything from swords and knives (the blades as well as the handles), on sword furniture, on plates and lacquerware, in religious iconography and objects, and many other places (including of course, tattoos). This book is a practice sketchbook for anyone interested in learning how to sketch or draw in this style. We have included two of the Ha Bun Shu designs on the inside as well as 100 pages of clean, white, 8 1/2 X 11 paper. If you are looking for an awesome sketchbook for art class (or just because you love drawing), this is the book for you! Plus, maybe you will know a little...

Reviews

It is a single of the best ebook. I am quite late in start reading this one, but better then never. I am delighted to inform you that here is the greatest ebook i have got read through inside my very own daily life and may be he best book for at any time.

-- **Eunice Schulist**

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
