Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is not a book for reading, knowing, understanding and forgetting. Humanness means essentially the capacity to identify with other things and beings. There are qualities and quantities of identification. The lack of identifying capacity means animalness or non-humanness. Total identification or merging with and being space is the key. This transforms identification from local or specific object (due to the presence of individual self) to Universal Identification, which is the...
