John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, The Responsible Business: Reimagining Sustainability and Success, Carol Sanford, Rebecca M. Henderson, Charles O. A Responsible Business sees stakeholders as full partners and meaningful instruments for the evolution of healthier communities and more successful businesses." from the Introduction The Responsible Business offers a new and strategic approach to doing business that holistically integrates responsibility into all aspects of an organization, allowing for returns at every level, business and social. This book goes beyond the often well intentioned but limited attempts at sustainability to present a framework that allows organizations to bring responsibility into everything they do and re-imagine success. Praise for The Responsible Business "This is a very significant book. It makes it clear that businesses have a single boss with five interrelated aspects. The stories...
