This book contains 25 detailed animal images to color and enjoy. Part of the bestselling Complicated Coloring adult coloring book series by UK illustrator, Antony Briggs. This book contains 50 single sided pages to color. Every animal is printed twice, but in very different ways. Half of the pages are printed onto black paper. The black backgrounds surrounding the image really help your colors to appear much more vibrant! The other half are Outline duplicates. These images have no solid black areas at all. Just a faint grey outline that is easy to color over. You can make the outline and the surrounding area whatever color you want. The images might look similar at the start but the end results will be very different. List of Animals Antelope Bald Eagle Bat Brown Bear Chimpanzee Cobra Deer Fox Giraffe Goat Jaguar Koala Lemur Mandrill Ocelot Orangutang Ostrich Panda Pig Rabbit Red Panda Sloth Tiger Warthog Wolf Anti-stress therapy for Animal lovers! Take a bit of time. Sit back. Relax, and flick through the book. Look at their little faces and choose the Complicated Animal that connects with you! Color it in with your choice of color pencil, felt tip, marker, fine liner and/or crayon. (Some of the animals are more detailed than others. Your end result will look better if you use a finer tip pen or a recently sharpened pencil.) It makes a great gift for a loved one (but a better gift for yourself!)
