By Dr Iren Fellegvari

iUniverse, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Our eyes are involved in most of our experiences and in forming our memories. It seems logical that we can use our eyes to change hurtful memories. Emotional Transformation Therapy (ETT) was developed with this concept in mind. Emotions play an extraordinary role in our lives. Every event is labeled with a corresponding emotion in our brains. An experience can be characterized as pleasant or dangerous-or by any other identifier that influences our thoughts and actions or determines whether we want to remember a particular occurrence. Events do not change if the emotional labels are altered, but we think and react differently to different labels. People can go from feeling victimized to becoming proud survivors if the labels are changed. A crisis situation can become either a tragedy or a new beginning based on a person's emotional evaluation. ETT does not change facts, but it can help transform shame, fear, loneliness, emptiness, and other often paralyzing feelings, opening up a person to the possibility of more realistic and empowering mind-sets. ETT offers quick, goal-oriented treatment for severe psychological problems like PTSD, abuse,...

Reviews

This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover.

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
