FABER FABER, United Kingdom, 2009. Paperback. Condition: New. Main. Language: English . Brand New Book. QI the Pocket Book of Animals is John Lloyd and John Mitchinson's funny, eccentric and confounding handbook filled with interesting animal facts and figures. Join the QI team for an off-road safari into the wildlife, past one hundred of the most unusual members of the animal kingdom, armed with illuminating illustrations and diagrams by award-winning artist Ted Dewan. Amongst the weird, wonderful and really quite interesting animal facts, meet albatrosses that fly non-stop for ten years, leeches with 34 brains, koalas that don't drink, geese that mourn their dead and lobsters that live for a century. Marvel at elephants that walk on tiptoe, pigs that shine in the dark, and woodpeckers that have ears on the end of their tongues. Collected by the writers of the hit BBC show, QI, and authors of the international bestsellers The Book of General Ignorance and 1,227 QI Facts To Blow Your Socks Off, QI The Pocket Book of Animals is an animal encyclopedia that even David Attenborough would learn something from. And remember - everything you think you know is wrong.
