Reviews

An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.

Penguin Putnam Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. New York Times bestselling author Kim Karr turns up the heat in a smoking hot, emotionally compelling romance that takes you into the world of Manhattan's elite. Meet Jeremy McQueen, a sexy, intense, brooding entrepreneur who goes after what he wants, and Phoebe St. Claire, a socialite-turned-CEO who's been drifting through life searching for something she thought she'd never find again--the right man to share her future. Phoebe St. Claire has devoted herself to saving her family's hotel empire--but her best efforts have not been good enough. With her whole world in turmoil, the tenacious go-getter turns to the once love of her life. Far from innocent, Jeremy McQueen was a guy from the wrong side of the tracks and her parents would never have approved. Their years apart have only made the sexy bad boy more irresistible than ever--and their reunion is explosive. When she asks Jeremy to help her salvage her family business, he agrees immediately, with only one condition--he wants her in his bed. But soon surprising circumstances leave Phoebe reeling. Was this fairy tale romance just too good to be true? Will Jeremy's secrets pull them apart all over again? NO CLIFFHANGER. STANDALONE ROMANCE.
