

Unwanted Visionaries: The Soviet Failure in Asia at the End of the Cold War

Filesize: 5.32 MB

Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.

Oxford University Press Inc. Hardback. Book Condition: new. BRAND NEW, Unwanted Visionaries: The Soviet Failure in Asia at the End of the Cold War, Sergey Radchenko, The European and American dimensions of Mikhail Gorbachev's foreign policy captured the imagination of contemporary observers and, later, historians. The collapse of socialism in Eastern Europe and the fall of the Berlin Wall were the grand events that marked the European finale of the Cold War. The Cold War ended differently in Asia, where there was no easy closure, no great fanfare, and little credit awarded for changing the world. Yet Gorbachev was fascinated by Asia and in his early years in power, he addressed the subject of Asia's rise and the importance of Soviet engagement with the region. He spent years strategizing his Asian foreign policies and attempting to build Soviet relationships with its regional neighbors, particularly alongside China. In the end, Russia was never accepted by Europe as part of the West, but it also failed in its efforts to become a regional power. With the end of the Cold War, Russia was marginalized in Asia, politically and economically, unable to fit into the changed environment of international affairs while adhering to the basic principles that made it a superpower. In this broad-ranging and deeply researched second book, Sergey Radchenko gracefully narrates and analyzes the end of the Cold War in Asia. Among the relationships he addresses is the Sino-Soviet normalization, which emerged in response to the difficulties both sides had with the United States; the rise and fall of the Soviet-Indian alliance, which Gorbachev envisioned as central to offsetting US alliances in the region; failed Soviet efforts to mend fences with Japan and to tap into Japanese capital to develop Siberia and the Far East; Soviet efforts to influence relations between...
