Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As military conflicts come to an end, it is not uncommon for societies to expect a peace dividend and to engage in elite and popular conversations about how much defense spending is still needed. The issues are similar across countries and time periods: How can defense planners preserve capabilities, avoid the reversibility problem, and plan for the long term? How can they guide the development of technologies and doctrines in a climate of austerity? This manuscript draws lessons from previous historic situations and applies them to today.
