Reviews

The very best publication i possibly read. it was writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Wilhelm Predovic)

HUMAN TRACES (PAPERBACK)

Vintage Publishing, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. As young boys both Jacques Rebiere and Thomas Midwinter become fascinated with trying to understand the human mind. As psychiatrists, their quest takes them from the squalor of the Victorian lunatic asylum to the crowded lecture halls of the renowned Professor Charcot in Paris; from the heights of the Sierra Madre in California to the plains of unexplored Africa. As the concerns of the old century fade and the First World War divides Europe, the two men s volatile relationship develops and changes, but is always tempered by one exceptional woman; Thomas s sister Sonia. Moving and challenging in equal measure, Human Traces explores the question of what kind of beings men and women really are.
