Brand New Book ***** Print on Demand *****.Inspired by true events*** Where do you turn when the ones who are supposed to love you most, hurt you? When is enough, enough? That is the exact question Chloe Evans had when she escaped her own personal hell that terrifying night. Even though the road to rebuilding her life has been tough, she's spent the last few years trying to mend her battered soul. Doubting that all her efforts are even worth it, she begins to feel she will forever be tied to the man who took everything away from her. Ryder Matthews is the epitome of what most girls associate with perfection. With his good looks, bad boy persona, multiple tattoos and piercings he is every girl's fantasy; every girl except Chloe Evans that is. Ryder sees Chloe as a challenge. one that he's more than confident he will win. Drew Nichols is every girl's dream guy. He's sweet, sincere, trusting, and most of all patient. He's exactly what Chloe needs in her life, but is he who she wants? We all have things in life we'd like to forget about. Some bigger than others. When Chloe uses college as her diversion to escape the memories, will either of them be able to make her forget? This book contains mature subject matter that is not suitable for those under the age of 18.
