Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.

Oxford University Press, United Kingdom, 2016. Multiple copy pack. Condition: New. Language: English . Brand New Book. Two titles from the bestselling Oxford Medical Handbooks series are now available in this great value pack. Fully revised and updated for the third edition, the Oxford Handbook of Psychiatry provides the most up-to-date information clinically relevant to the doctor on the ground. Using a presentation-based format it provides detailed advice on clinical decision making after diagnosis. This handbook is an indispensable companion for any professional working in psychiatric medicine. Covering all major psychiatric conditions and sub-specialties, this handbook provides practical and comprehensive guidelines and in-depth coverage of psychiatric assessment, psychopathology, evidence-based practice, therapeutic issues, and transcultural psychiatry. Fully up-to-date with the latest revisions of the DSM-IV and the ICD10, it is indexed alphabetically by classification codes and acute presentations for quick access. It reflects the recent major changes to psychiatric training and examination as well as the latest drug information. Reviewed by experienced clinicians, and revised by Specialist Trainees, this handbook not only gives expert advice for psychiatry professionals, but is also directly relevant to trainees in psychiatry. For the third edition, new information includes guidance on Adult ADHD, information on new drugs of abuse (e.g, GBL, GHB, mephedrone), and clinical decision-making in the prison setting. With such broad coverage and depth of guidance, this is the must-have pocket guide for all professionals and trainees working in psychiatry. Fully updated for this second edition, the Oxford Handbook of Neurology is the definitive guide for all those working in neurology and neurosurgery. This practical and concise quick-reference resource includes a wealth of information and invaluable clinical guidance to ensure all readers stay up-to-date in this fast-moving specialty. Now including brand new chapters on neurological emergencies and neurology within other medical specialties, this handbook...
