

Sowing Seeds in the Desert: Natural Farming, Global Restoration, and Ultimate Food Security

By Masanobu Fukuoka

Chelsea Green Publishing Co, United States, 2013. Paperback. Book Condition: New. Reprint. 201 x 127 mm. Language: English . Brand New Book. The earth is in great peril, due to the corporatization of agriculture, the rising climate crisis, and the ever-increasing levels of global poverty, starvation, and desertification on a massive scale. This present condition of global trauma is not natural, but a result of humanity's destructive actions. And, according to Masanobu Fukuoka, it is reversible. We need to change not only our methods of earth stewardship, but also the very way we think about the relationship between human beings and nature. Fukuoka grew up on a farm on the island of Shikoku in Japan. As a young man he worked as a customs inspector for plants going into and out of the country. This was in the 1930s when science seemed poised to create a new world of abundance and leisure, when people fully believed they could improve upon nature by applying scientific methods and thereby reap untold rewards. While working there, Fukuoka had an insight that changed his life forever. He returned to his home village and applied this insight to developing a revolutionary new way of...
