

Tackling Autism Behaviors (Paperback)

By Travis Breeding

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Travis talks about addressing behavior issues in people with autism. It is important to realize behaviors are a way of communication. Behaviors always have a cause. It will be easier to help people with autism if we know what is causing their behaviors. If we can work on what is causing the behavior issues then we will not have to worry so much about the behavior. It is important to find a cause for the behavior. Behaviors do not always need to be eliminated. There are some behaviors that we can just modify. In this book Travis tells the story of an autistic teenager who had a fetish in girls feet. He would walk up to them and tell them they had pretty feet and this was not appropriate. However, understanding that the teenager had a basic human need that he needed met Travis was able to redirect the behavior to a more positive behavior. You will see how Travis addressed the teenagers behavior issue and helped him express himself in more appropriate ways. Behavior is communication....
