

Basic First Aid Procedures for Staff of Non Profit Organizations (Paperback)

By Douglas Max Hall

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is the outcome of the author's decision to share his expertise with others, particularly those about to embark upon a career in recreational activities involving children. This manual is a practical handbook of proper medical care. In 35 years in Education and Community organizations, the author has observed most staff have stress and anxiety with student injuries and providing proper First Aid. It is an area most of the staff is very uncomfortable with and have had little or NO training or information provided. His goal is to provide a practical handbook that could be added to Staff Handbooks for ALL organizations involving activities and programs for individuals of all ages. Este libro es el resultado de la decision del autor para compartir su experiencia con otros usuarios, especialmente aquellos a punto de embarcarse en una carrera en actividades recreativas que involucran a niños. Este manual es una guía práctica de la atención médica adecuada. En 35 años en las organizaciones educativas e comunitarias, el autor ha observado que la mayoría del personal tienen estrés y...

Reviews

It is one of the best books. Better than never, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

-- **Dr. Kristin Dickens**

I just started off looking over this ebook. It is actually loaded with wisdom and knowledge. It's been developed in a remarkably simple way in fact it is simply after I finished reading through this book where basically modified me, modify the way I believe.
