Createspace, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. LEARN HOW TO SATISFY ANY WOMAN WITH A SMALL PENIS: That is what this book is about. Do you worry about your Penis size? Do you feel less confident? If so, then you need to read this book. With the right knowledge of good sexual techniques you will be able to satisfy any woman anytime. Sexual satisfaction in women does not depend on the size of your manhood but how you use it. This book will help any man bothered by the size of his penis to identify and correct any distorted beliefs he may have regarding his penis. Much of the distorted ways of thinking about sexuality stem from the fact that many of the men who have this problem have exposed themselves to a lot of pornography. One of the many problems related to pornography is that it misrepresent what human sexuality is about; replacing intimacy and love with simple and raw sex. We recommend that men who watch a lot of porn and who suspect that they may be suffering in part because of this would definitely benefit from this book on adult sex education. It will help them gain a better perspective on what normal sexuality is actually about.
