

The Cambridge Companion to Karl Rahner (Hardback)

Filesize: 9.75 MB

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).
(Prof. Jeremie Kozey)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2005. Hardback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. Karl Rahner (1904-84) was one of the most significant theological voices of the twentieth century. For many his theology has come to symbolise the Catholic Church's entry into modernity. Part of his enduring appeal lies in his ability to reflect on a whole variety of issues in theology and spirituality and concentrate this plurality into a few basic convictions. This Cambridge Companion provides an accessible introduction to the main themes of Rahner's work. Written by an international array of experts, it will be of interest to both students and scholars alike. Each chapter serves as a guide to its topic and recommends further reading for additional study. The contributors also assess Rahner's significance for contemporary theology by bringing his thought into dialogue with many current concerns including: religious pluralism, spirituality, postmodernism, ecumenism, ethics and developments in political and feminist theologies.
