Reviews

This publication is wonderful. I could comprehend every thing out of this published e publication. You can expect to like the way the blogger write this publication.

(Eliseo Rippin)

THE JOY OF CREATIVE DISCOVERY: PRACTICES TO RECLAIM YOUR PURPOSE AND PASSION (PAPERBACK)

Emerald Flame Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Step out of your comfort zone and into the discovery zone with this engaging and transformative workbook. For fifteen years, the benefits of Pasha Hogan s Creative Discovery(TM) workshops have been extolled by attendees--all kinds of people, with all kinds of challenges and dreams, going through life transitions and seeking a greater purpose and meaning. Most declared they were not creative, only to marvel at what was inside of them, just waiting for a chance to be expressed. Designed to help adults manage the uncertainties of life and move forward, this book sets the stage to explore the timeless questions: Who am I? and Why am I here? with an enthusiastic attitude of childlike curiosity and wonder, instead of fear and overwhelm. The reader is guided and supported on this journey with practices the author has used and perfected in her much loved Creative Discovery workshops. The practices draw on ancient and contemporary wisdom from around the world, compiled into ten chapters containing real-life examples, inspirational quotes and poetry, probing questions, and enlightening myths. Each chapter engages the reader in activities, including writing prompts, art making, excursions in nature, stress-reduction techniques, and links to free guided meditations. Looking for inspirational gems and practical tools to catapult you into the amazing next chapter of your life? You ll love Pasha Hogan s The Joy of Creative Discovery. More than a workbook, it s a funbook, rich in creativity and spirituality. Pasha is a wise guide, ready to accompany you on a journey that will shake up your life in the best way possible! --Kris Carr, New York Times best-selling author.
