Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Vicar of Wakefield, and Select Poems Plusieurs grands hommes, (parmi lesquels on distingue avec plaisir, et sans surprise, le venerable Franklin,) ont essaye de se defaire de cette veritable cacographie et d instituer en se place une orthographe philosophique et phonetique. Mais, pour que de pareils essais reussissent, il etait necessaire que l inventeur ne fut, ni homme de lettres, ni philosophe professe : il fallait un homme qui, lui-meme, ait ressenti le mal qu il voulait bannir, mais en meme temps, qui puisse rendre le remede, qu il allait proposer, desirable a ceux qui meme s entendraient deja en l art de lire et d ecrire. Get home se montre enfin. Isaac Pitman (de Bath en Angleterre, autrefois maitre d une ecole Primaire,) publia en 1837 une Stenographie phonetique, sous le nom de Phono graphz e, ou Art d ecrire selon le son de la parole. Le caractere d ecriture abregee de cette stenographie, fait qu elle rivalise avec les systemes les plus estimes; et surtout, ayant l avantage d etre plus lisible en consequence de la nettete des signes, il se fait qu elle s adapte a tous les besoins de la vie, et que meme, en chaque annee, plusieurs milliers de lettres, ecrites dans ces caracteres simples et faciles, ont leur circulation par la poste. Trois petites lithographies phonographiques se publient tous les mois, sans y ajouter des clefs, avec lesquelles on s est familiarise en lisant le Manuel de Phoaographie. On vient de publier le Livre des Psaumes et d autres livres dans la meme ecriture. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books....
