COMPETE SMARTER, NOT HARDER: A PROCESS FOR DEVELOPING THE RIGHT PRIORITIES THROUGH STRATEGIC THINKING (HARDBACK)

John Wiley Sons Inc, United States, 2013. Hardback Condition: New. 1. Auflage. Language: English. Brand New Book How to compete in the right space for greater profitability and growth The Internet, mobile technology, the ubiquity of information and the availability of big data have dramatically increased the speed and impact of success and failure. Companies today know that they must be competitive, but precisely where, and more importantly how, to compete is not always easy to identify until now....

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

-- **Kaya Rippin**

It is great and fantastic. Better then never, though i am quite late in start reading this one. Its been written in an extremely simple way and is particularly only right after i finished reading this ebook where actually changed me, affect the way i really believe.
