

Commentary on the Sermon on the Mount (Classic Reprint) (Paperback)

Filesize: 4.84 MB

Reviews

Excellent eBook and helpful one. This can be for all who statte there was not a worthy of studying. You will not feel monotony at at any moment of your respective time (that's what catalogs are for regarding when you request me).
(Princess McCullough)

COMMENTARY ON THE SERMON ON THE MOUNT (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Commentary on the Sermon on the Mount I still feel that I owe my dear Friend Rothe warm thanks for having urged me to put forth my exegetical powers in connection with this portion of the New Testament. Although I have no doubts as to the genuineness of the Gospel of John, I must confess that the spirit of Christ finds me most directly in the first three Gospels; and their interpretation has had peculiar attractions for me, because in them the Son of God, at once Divine and human, and the climax of a redemptive process of two thousand years, is presented in a tangible physical shape. The great task of the present age - a task at which men of very different vocations, and with very different aims, are labouring - is to understand the relation in which Christ stands to the form of religion embodied in the Old Testaments: avoiding two opposite errors; that, namely, of degrading Christianity to a mere internal phenomenon of Judaism; and that of representing Judaism as Christianity under a veil, and thus effecting as near an approximation of the two as possible. I am bound to confess that the further my studies have extended, the more clearly have I seen that the religion of the Old Testament and the Gospel constitute one Revelation, and the higher has been my consequent estimate of the loftiness and depth of the Jewish Economy. The present fresh revision of my Commentary on the Sermon on the Mount has contributed to this result. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
