

Going Dark

By James W. Hall

St. Martin's Press. Paperback. Book Condition: New. Mass Market Paperback. 416 pages. Dimensions: 7.4in. x 4.1in. x 1.2in. Master of suspense (The New York Times Book Review) James W. Hall delivers another nail-biting Thorn thriller and this time, the stakes are higher than ever as Thorn embarks on a mission to save his newfound son. Earth Liberation Front is a loosely-knit national organization of radical environmental activists who take a by any means necessary approach to defending the planet. In the last decade, ELF has been responsible for almost a hundred million dollars in damage mainly through arson. The FBI ranks them, along with other eco-radicals, as the number one homegrown terrorist threat. And Flynn MossThorns newly discovered son appears to be among ELF's members. no-holds-barred action A fine thriller on every level. Booklist Flynn has naively fallen in with an ELF cell in Miami, where hes engaged in non-violent protest against one of Floridas largest nuclear power plants. But soon Flynn uncovers another, darker plot among ELF operativesone that involves a radioactive catastrophe rivaling Chernobyl or Fukushima. With a growing sense of dread about his involvement in such a scheme, Flynn summons Thorn to help him escape from Prince Key, the remote...

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
