

Illustrated Encyclopedia of Military Uniforms of the 19th Century (Hardback)

By Digby Smith, Professor Jeremy Black, Kevin F. Kiley

Anness Publishing, United Kingdom, 2010. Hardback. Condition: New. Language: English . Brand New Book. The uniforms from the 19th century are some of the most colourful and varied in the history of uniformology. In this book there are artworks of familiar Austrian hussars, Prussian dragoons, French chasseurs, American continentals and British grenadiers, but also Boer farmers, Zulu, Apache and Souix warriors, Boxers from the Chinese rebellion, and rebel Sepoys from the Great Indian mutiny. As well as illustrations of the uniforms, equipment and kit, the expert text examines the organization, tactics and experience of the men-at-arms of these pivotal times, where a century of war saw the beginning of a new era. This volume presents not only a unique visual directory of uniforms, but an evocative portrait of the political, military and social contexts of the soldiers of the time.
