Living with Grown A.S.S. Kids (Arrogant, Stubborn, Selfish) (Paperback)

By Dr Faye Barclay-Shell

Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Living with Grown A.S.S.Kids focuses on the dilemma in which many parents find themselves when their now-adult children continue to reside or return to reside in the home. The author discusses biblical characters and experiences which are used to relate to parents s modern day struggles. This must read self-help tool will not only encourage parents but will also provide assistance for them, using helpful tips on managing this growing issue in our society. This is an easy read and inspiring book. FAYE BARCLAY-SHELL received her bachelor s degree in nutritional science from Purdue University, located in West Lafayette, Indiana. As she was led by God, she went on to further her career, successfully receiving a medical degree from Meharry Medical College in Nashville, Tennessee. She is now residing in the Jacksonville, Florida community. She currently serves as a licensed, practicing medical physician and is active in the prophetic ministry. Prophetess Shell has accepted the call on her life to serve God s people of all nations. She serves tirelessly to minister the truth and love of the gospel of Jesus Christ to...

Reviews

Unquestionably, this is the best work by any author. Better then never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this pdf to find out.
