Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The author foreshadows a World Leader of a World Government who may be believed by some to be the Second Coming of Christ (in Christianity and Islam) and the Messiah in Judaism (and revered in other religions and non-religions). He believes that this book may be considered to be the most important publication of all time (a must read). He is seeking the Office of President of the United States of America in the election of 2016 (and more) based on this book. The focus of his work is to achieve inner and outer peace, love, and happiness. Utilizing his inspired value system, and thoughts from studies of government, religion, psychology, and philosophy, he proposes a plan to first help create individual and world peace by building a United World Government. Glenn goes on to describe his thoughts in terms of individual and world love and happiness, and domestic and world issues. He believes that with his plan, we can all bring heaven to Earth.
