I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE FIRST AND SECOND EPISTLES TO THE THESSALONIANS (PAPERBACK)

William B Eerdmans Publishing Co, United States, 2009. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. The two letters to the Thessalonians dwell richly on the Christian hope and emphasize the significance of the Christian calling in the here and now. In this commentary Leon Morris offers a solid exegetical discussion of specific problems relating to the composition of the letters themselves, yet his exposition is also pervaded by an acute awareness of the relevance of Paul's message to the practical problems encountered in living the Christian life. Long published as part of the New International Commentary on the New Testament series and here reprinted in paperback, this classic work on 1 and 2 Thessalonians has proved -- and will continue to prove -- useful to a wide range of readers, including scholars, pastors, Bible students, and educated Christians.
