Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Penguin Putnam Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Deception leads to passion in this regency romance debut starring a reluctant earl and the beautiful thief who has stolen his heart--first in the Birch Hall romance series. A thief and a fugitive from the mental hospital where she was falsely committed, Joan Price is now on the run from her former partners in crime. But luck must be on her side--just when it seems all is doomed, she runs straight into the arms of Martin Hargrove, Earl of Fenbrook, who mistakes her for his distant cousin, Daphne. Lord Fenbrook has no intention of marrying, and certainly doesn t consider his notoriously scatterbrained cousin a prospect. But her flighty persona seems to hide something far more intriguing--a secret self she trusts with no one. And Martin is determined to earn that trust. When Martin s sister discovers Joan s charade, they strike a bargain: Joan can remain within the safe walls of Birch Hall, as long as she doesn t allow Martin to fall in love with her--for their flirtation would surely ruin them both. She s convinced she poses no threat to his heart, but she s beginning to realize that her heart may be the one in danger. Especially as he seems very set on seducing her.
