Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you re traveling to Italy in search of an authentic culinary experience but don t want to break the bank in the process then skip those expensive ristoranti and head straight to the nearest trattoria, those unassuming mom-and-pop eateries where you ll find home-cooked, regional cuisine for a price that any traveler can afford. Chow Italy: Eat Well, Spend Less (Rome 2013) will guide you to more than 80 trattorie in eleven neighborhoods throughout the Eternal City. Each listing contains pertinent information such as address and hours of operation, a description of the eatery s ambiance as well as chef s specials, plus a map to help guide the way. Pull up a fork at Trattoria da Tonino near the Piazza Navona, for instance, and dig into a bowl of rigatoni alla amatriciana for a mere 5. Or, if you find yourself hungry after a long morning touring the Coliseum, then nothing could satisfy better than fettucine ai funghi porcini at the modest Trattoria da Luzzi. The price? Only 6. With Chow Italy you ll eat well but spend less.
