FABER FABER, United States, 2013. Paperback. Book Condition: New. 267 x 175 mm. Language: English . Brand New Book. The first sketches for Another Christmas . . . were dreamt up in the back of a coach when fellow-composer Peter Gritton and I were doing some Christmas concerts on a trip to Switzerland; the song was inspired by the breath-taking winter scenery and the carols we had just been singing. Although written in a light style, it has a message for all of us, particularly those that have grown weary of, or disillusioned with, Christmas. I hope you enjoy it as much as we enjoyed writing it together! Faber Choral Singles offer a series of beautifully crafted arrangements in a diversity of musical styles for today s choirs. From Broadway, pop and folk to spirituals, gospel and original works, the Faber Choral Singles series guarantees the perfect repertoire for every occasion.
