Jamestown is fondly remembered today for being the first permanent English settlement in the colonies, but it was not fondly remembered by those who lived and died there. The English quickly learned it would be difficult to establish a permanent settlement because of the poor weather, the swampy terrain, the hostile natives living nearby, and the general inexperience and ineptitude of the English settlers. During their first winter, everyone nearly starved, and more than half of the settlers died. By the end of the winter of 1609-1610, known as the starving time, barely 10 of the settlers were still alive. Nevertheless, Jamestown is remembered today because the settlement did survive through the hardships and go on to serve as the capital of the English colony for much of the 17th century. At the same time, one of the biggest reasons for its survival and fame today can be attributed to the local Native Americans, particularly Pocahontas, who has added both a human and romanticized, mythological element to Jamestown. She was the daughter of the paramount chief (mamanatowick) Powhatan, leader of an Algonquian-speaking native group in eastern Virginia. It was this group that Smith and the other English settlers came into contact with, and Smith credited her with saving him from being...
