Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Echoes From the Glen in Divers Keys I am sending this little volume out, more than partly at the solicitations of my friends. That does not appear a very modest and honorable salutation for my readers. Nevertheless it is true, and I trust those kind friends may help to bear the misfortunes and failures which may befall its pathway. The Echoes in Divers Keys have been written from boyhood up: through the time of battles into the quietude of plantation life, long intervals sometimes intervening, which may perhaps account in a measure for the repetition of style and vocabulary. Let me say that I sincerely hope that those who may chance upon the book may find a bit of restful melody and also a scrap of homely merriment in some of its pages.
